This was the eighteenth time the Caerphilly Summits Challenge has been held and it must rank as one of the toughest due to the weather. The rain was heavy and prolonged in the afternoon and evening and we heard reports of horizontal rain and hail on Mynydd Machen. Those who finished, despite the wet and muddy conditions, did extremely well. The number of entrants was down compared to last year, particularly on the 11 mile route, almost certainly due to the weather forecast. In general people took longer on the routes, there were far more retirements than usual and several people had to be asked to retire at Machen as they were past the cut-off time (which was extended by an hour to 5:30 pm). We rarely do this but it was just as well as they would likely have finished in the dark, probably without torches.

However everybody seems to have enjoyed the event and we look forward to seeing you again next year when we plan to have new routes with a move of the event HQ to Machen Village Hall.

Many thanks to all the marshals - without them there would be no event.
